# SOCIAL AND PERSONAL

## Elder—Leeds.

At the Catholic parsonage Tuesday afternoon at 3 o'clock, Miss Mattie Elder was united in marriage to Mr. James Leeds. The parlor was very attractively decorated for the occasion, white roses, peonies and ferns being most tastefully arranged. The ring ceremony was used, Father H. B. Schulte in his beautiful impressive way officiating. Only the immediate families witnessed the ceremony, Mr. and Mrs. Nelson Elder being the only attendants with the exception of the little flower girl, Kathryn Lusk, who preceded them with a basket of white roses. She presented a lovely appearance, beautifully gowned in white. The bride was attired in a handsome tailored gown of blue, with hat and gloves to match, and was never prettier. Her corsage was of white roses and valley lilies, while the matron of honor, Mrs. Elder, was dressed in blue, with a corsage of pink roses. The wedding was the culmination of a courtship which has extended over a period of several years, but no previous announcement had been made and

coming as it did was a pleasant surprise to the friends of both throughout the city. The bride is the oldest daughter of Mr. and Mrs. E. V. Elder. She is of attractive personality, is wonderfully gifted in music and the man of her choice is indeed to be congratulated. The groom is the son of Mr. and Mrs. W. L. Leeds, and has just returned from twelve months overseas service. He is a young man of business ability and possesses many sterling qualities, which makes him in every way worthy of the young lady whose heart he has won. Immediately after the ceremony they motored to Lexington where they caught an evening train for Cincinnati, where they will spend several days at the Gibson House, and on their return will make their home with the bride's parents.

S. Crowell, prominent Paducah business man, residing at 312 Jackson street, who, for the past twelve years has been connected with the Gardner Furniture Company, Paducah's largest furniture dealers.

"I'd had liver trouble for a long time," he continued, "and last March I suffered an infection that left me in terrible condition. I had a bad cough, constipation bothered me almost constantly and I usually felt tired and worn out. I frequently became dizzy.

"Trutona has made me feel like a man made over again; however, my bowels act with clock-like regularity now, the dizzy spells have ceased to occur and the terrible cough is 100 per cent improved. Trutona has restored my old time 'pop.' I walked 22 blocks last evening and didn't feel a bit tired afterwards. Before, it fatigued me to walk to the store. I can't say too much in favor of

## Velvet THE FRIENDLY TOBACCO

### Horse Sense About Tobacco

Good tobacco ought to be like a well-bred hoss—all th' kick taken out but all th' sperit left in.

You see, half the secret of makin' a good hoss is in the breedin' an' half in the breakin'. Selectin' tobacco that's grown right is only half of makin' Velvet. The agein' is the other half.

Thar's only one kind of agein' that gets th' right results—Nature's own. Nature's no clock watcher. She does a job right whether it takes two years or two thousand.

So when she gets through with the fine Kentucky Burley that we put away in wooden hogheads for two years, it's just right.

It ain't been hurried none, or short-cutted. It's a Nature-done job.

All kinds of things are packed in tobacco tins, but your good neighbor will tell you "Velvet is the real pipe tobacco." Prove it for yourself.
